## **ABOUT ME**

I'm a sophomore majoring in Business Analytics, and I'm from Duluth, MN. Outside of studying, I enjoy photography, graphic design, and watching movies with friends. I love attending events and encourage new students to go to as many as possible—it's a great way to meet people and get involved!

## **WELCOME**

Welcome Residents! I'm Alexis Nelson, and I'm very excited to be your RA. Feel free to reach out to me if you have any questions, concerns, or just want to chat.

## **PRO TIPS**

Don't forget to check the residence hall packing recommendations—they'll help you figure out exactly what you need to bring. Also, step out of your comfort zone. College is a great time to make friends and memories, and you don't want to spend the first few weeks feeling alone.
