

Welcome to Hamline!

Hi everyone, I'm Cannon Yerama and I will be your RA for the 2025 - 2026 school year. I'm excited to meet everyone in our community. I'm a senior majoring in legal studies. Anything history or legal related is a huge interest to me and studying it is one of my hobbies. Apart from studying I like movies, games, and target shooting!

The campus has great opportunities to meet people and participate in fun events. I've joined several clubs/organizations and some of the people that I've met have become some of my best friends.

Make sure to reach out to anyone with any questions or concerns. Campus facilities and faculty are available for you, whether you need social help, academic support, and more. Don't be afraid to reach out to your professors too for any questions.

Tips for Dorm Room: If you are staying with a roommate, communication is vital. Talking before you move in is a great way to learn each other's habits and establish a system that works for both of you. It's also a great time to get to know them and your community! I love the dorm life and have so many great memories and experiences. It's the perfect place to make many lifelong friends! If you have any questions, concerns, or just want to introduce yourself and say hello, please email me at cyerama01@hamline.edu.

I am so excited to be your RA this year!
Cannon Yerama
