

HELLO! I'M Taylor Tadych

Welcome or welcome back to Hamline! I'm so excited to be your RA, and I cannot wait to get to know you and create a positive community! I'm a senior majoring in English and Communications Studies and Creative Writing, with a minor in Business Practice. In addition to being an RA, I'm also heavily involved in all of the publications on campus and the Fulcrum Journal as Editor-in-Chief!

I love reading, writing, collecting vinyl of my favorite artists like Taylor Swift and Carole King, watching theater productions, traveling to new places and spending time with my cat, Chapter, who is quite possibly the most spoiled feline in existence.

I'm here to support you, so please reach out if you have any questions!

- RA Taylor (she/her)
