

WELCOME!!!

Hi everyone! My name is Stephanie (she/her), and I'm so excited to be one of your RAs this upcoming year. I will be a sophomore majoring in Criminal Justice and Social Change/Social Justice here at Hamline. A little bit about me: I am from Rosemount, MN, I love horse riding, going to the gym and spending time with my family. A small fun fact: I lived in Mexico for 7 years in Veracruz.

Why I'm an RA

I wanted to be an RA because I really value building community and supporting others as they navigate college life. Whether you need someone to chat with, walk to class with, or help with finding campus resources, I'm here for you!

My Door's Always Open

**I'm already looking forward to meeting you. Let's make it a great year together!
Can't wait to meet you!**
